

SOUTH CAROLINA PUBLIC SERVICE COMMISSION

STANDING HEARING OFFICER DIRECTIVE

DOCKET NO. 2013-451-WS

SEPTEMBER 5, 2014

Standing Hearing Officer: David Butler

DOCKET DESCRIPTION:

Application of CUC, Incorporated for Adjustment of Rates and Charges

MATTER UNDER CONSIDERATION:

Motion of the Intervenor Callawassie Island Property Owners Association (“CIPOA”) for Extension of Pre-Filing Deadlines

STANDING HEARING OFFICER’S ACTION:

On September 3, 2014, CIPOA originally filed, in part, a Motion to Compel Discovery Responses from the Applicant, CUC, Incorporated (“CUC”). CIPOA now states that although the Motion to Compel is now moot, the present intervenor pre-filing deadline of September 12, 2014 does not allow the CIPOA sufficient time to review the discovery responses and pre-file testimony and exhibits. CIPOA requests an extension of two weeks for its testimony and that of its fellow intervenor Spring Island Property Owners Association (“SIPOA”) to be filed. The Office of Regulatory Staff (“ORS”) also requests that any extensions in pre-filing deadlines be applied to that agency also.

The request for extension of pre-filing dates is granted. The extended date for pre-filing of intervenor testimony and exhibits shall apply to all intervenors and also includes ORS.

Accordingly, intervenor and ORS testimony and exhibits shall be pre-filed on or before September 26, 2014 and served on any other parties. This material may be postmarked on the due date. Rebuttal testimony and exhibits, if any, shall be pre-filed by the Applicant on or before October 3, 2014 and served on the other parties. This material should be at the Commission and in the hands of the parties on the due date. Surrebuttal testimony and exhibits, if any, shall be pre-filed on or before October 10, 2014 and served on the other parties. The material should be in the offices of the Commission and in the hands of the parties by the due date.

The Standing Hearing Officer wishes to thank the parties for their prompt resolution of the Motion to Compel.
